[saintmaryschamberofcommerce@gmail.com](mailto:saintmaryschamberofcommerce@gmail.com)

The St. Marys Area Chamber of Commerce is committed to supporting our Businesses and Community by facilitating the interchange of information and resources for the promotion of economic development and improved quality of life in St. Marys and the surrounding areas.

Member may choose to participate in the Chamber Gift Certificate program. Anyone may purchase gift certificates. They are redeemable at chamber member businesses exclusively. This program exceeds \$100,000 in sales annually and has kept in excess of two million dollars in our community!

All members are listed on the Chamber of Commerce website with hyperlinks to each of their websites and email addresses. Businesses may include a description of their company. It is the spot to check out job openings, community events and available properties. Most importantly, it is a centralized source for people all around the world to learn about our area.

The Membership Directory lists key information for all who belong to the Chamber of Commerce. It is a full color publication that is distributed throughout the community in welcome packets, local lodging establishments, and with company relocation packages. It is provided to any member or person who is interested.

The St. Marys Chamber of Commerce is a visitor center and the primary information source for our city. Many people stop in, phone or email the office requesting recommendations for where to eat, stay, and even where to look for work. We refer only Chamber members.

Members may advertise in our email newsletter "The Business Bulletin" at no charge. It is designed to keep everyone informed about upcoming programs and events in the St. Marys Area. It also includes business information and news.

The Chamber will help coordinate and attend ribbon cuttings, ground breakings, grand openings and other special ceremonies for our members. The Mayor or City Manager and news media are usually in attendance.

The Chamber of Commerce sponsors events throughout the year to provide opportunities for entertainment and business promotion. The Fireworks Celebration, and Light Up Night are some examples.

Post your ad on the Chamber website:

[www.stmaryschamber.org](http://www.stmaryschamber.org)

\$30 for the first month

\$20 for the second month

\$10 for months three through twelve
